Echoes of modernism for this armchair marked by the juxtaposition of the padding of the seat and the linearity of the laminated wood backrest, an eterea parabolic shape continues through the entire piece into the back feet. A comfortable but informal seat, and also a useful element in any room.

### FEATURES

A chair distinguished by the combination of the high, padded seat and the enveloping wooden back, which extends down to form the back leg. Solid oak structure tinted in Molteni woods, differentiated polyurethane seat.
