A desk with very clean lines and a decoratively perforated top support element that conveys a sense of lightness. Wood surfaces, a practical lateral drawer, a clever book support element in painted sheet metal and a side pocket in hide leather complete the desk.

### FEATURES

Clear-cut lines for this writing desk. Top in wood, a practical side drawer, a clever bookshelf support in lacquered sheet metal and a side pouch in hide leather complete this writing desk. The pouch cannot be added later, but must be ordered along with the desk. The bookshelf support rests on the top and can therefore be positioned on the side and in the direction desired.
