STILL— FOSTER+PARTNERS 2006

1—
2

The Foster+Partners studio designed a distinctively shaped sofa, an authentic example of architecture tailored around the exactness of the frame and based on the balance of proportions. It is also available a curved shape version with comfortable back, designed to be placed in the centre of a room.

FEATURES

A range of settees featuring an aerial structure resting on curved steel pieces, available with a shiny chrome or brushed silver finish. The slender support structure in moulded, cold-foam-covered metal has soft feather cushions.
